

Parents,

This email does not apply to parents that have enrolled this year on-line, as you can view your account already.

You may now view your account from Kitty Carter's Dance Factory on-line.

Since you are already in our system, please login by clicking here.

Your login is your email address that received this email.

Your password is Dance#16 (unless you changed it)

You can use the Forgot password option to reset it if needed.

Once you login and agree to the terms and conditions you may change your password in the My setting page.

Do not enroll in Classes as I have done that for you already, unless you have not enrolled this year yet.

You may save/update an auto-pay account, view/pay invoices at any time, view your schedule and attendance for the year.

Please call if you have any questions.

Sincerely,

Keith Carter
